The Meeting concluded at 03:36 p. m (IST) (including 15 minutes of e-voting time given during the AGM.)

Dear Members of Aegis Logistics Limited,

Ladies and Gentlemen,

On behalf of the Board of Directors, I thank you all for your kind presence here today.

The company has made significant efforts to enable shareholders to participate in this AGM and vote on the items being considered in the meeting as per the guidance of the MCA and the SEBI.

I would like to share with you the highlights of the progress made by Aegis Group since we met in the previous AGM.

The financial performance for the whole year of FY 24-25 has been outstanding with Profit after Tax for the group increasing to INR. 787 crore versus INR. 672 crore in the previous year, a rise of 17.11% and resulting in Earnings per Share of INR. 18.90. This is mainly due to excellent performance of both our liquids and gas terminalling business as well as the LPG distribution business.

One of the Company's material subsidiaries, i.e, Aegis Vopak Terminals Limited (AVTL), has successfully achieved the milestone of listing on BSE Limited and National Stock Exchange of India Limited effective from June 02, 2025 raising INR. 2800 crore in primary issuance.

During the year, we have commissioned two new liquid terminals at Mangalore with an aggregate capacity of 75,230 m3 and one at JNPA (Jawaharlal Nehru Port Authority) with a capacity of 101,900 m3.

Also, at Mangalore, the Group has commissioned an LPG cryogenic facility with the static storage capacity of 82,000 MT at Mangalore Terminal on 12th June, 2025. At Pipavav, the Company commissioned its LPG cryogenic terminal with static storage capacity of 48,000 MT on 3rd July 2025. Further, the Company has started development on an independent Ammonia storage terminal with a capacity of 36,000 MT at Pipavav, Gujarat.

The company remains in a strong financial position with a low debt to equity ratio of 0.41 and no net debt on 31 March 2025 on a consolidated basis.

The Company continues to evaluate and manage its dividend policy to build long term shareholder value. The Directors declared interim Dividend @125% of Rs. 1.25 per equity share during the financial year 2024-25 and the same was paid during financial year 2024-25.

Furthermore, the Board of Directors of the Company at its meeting held on June 19, 2025 has recommended the Final Dividend @ 600% of Rs. 6 per share of face value of Rs. 1/- each, which is subject to the approval of members at this Annual General Meeting and if approved will result in total dividend of Rs. 7.25 for FY 24-25.

Looking to the future, no responsible corporate citizen can avoid the issue of sustainability. I am pleased to say in this regard that we have incorporated it into our mission which is to distribute and store bulk liquids and gases in a safe and sustainable manner, and our company's purpose therefore, is to support India's transition to a more sustainable future. Ammonia will be part of this journey.

Our business strategy is consistent with this mission and we have, along with our JV partners, embarked on a large scale growth programme to build world class terminalling and distribution facilities for liquids and gases all over India incorporating the highest environmental and safety standards.

I want to thank the Board of Directors for their immense support during what has been a very busy and fruitful year for the Group. I am also grateful to all our stakeholders for their consistent and resolute support and confidence in us. I also wish to acknowledge the contribution of our employees who execute our mission on a daily basis.
